

Defence Support: Supply Chain – A DSFDB Sub-Working Group

1000-1300hrs Thursday 8th April 21

Joining

The SWG will take place over TEAMS. Please follow the link below, place your microphones on mute and use the chat function to table any questions.

[Join Teams Meeting](#)

Recording and Sharing

Due to Easter half term a number of colleagues are not able to attend this SWG therefore the intention is to record each session and with presenters' permission subsequently make these available.

PDF copies of presentation material will also be made available for download on the Team Defence Information website.

Timings

This is a very racy programme with the intention of sharing a breadth of knowledge. The Chair will move the agenda on and attempt to keep to the timings. Speakers are asked to focus on key messages up front. There is no programmed time for questions so these will be answered in the chat bar.

Breaks

There are no programmed breaks, attendees will need decide when to make coffee and take comfort breaks.
